Brief History

Our Lady's Kindergarten is run by the Daughters of Mary Help of Christians. Founded in 1953, we have been educating the students according to the principles of Catholic education and the spirit of our founders St. John Bosco and St. Mary Mazzarello, which is educating young people with reason, religion and loving-kindness in a family spirit of joy and harmony.

Mission of the School

- With the teaching of Christ and values of the Gospel, we create an educational environment which is full of joy, love and care. We help our students to live with a clear sense of direction and to find the true meaning of life.
- By putting equal stress on the importance of spirituality, virtue, wisdom, physical development, sociability and aesthetic appreciation, we demonstrate our commitment to ensuring that these ideas are integral to our students' all round development.
- We encourage our students to participate actively in the learning process, to apply the acquired knowledge to everyday situations, to cherish their lives and to contribute to the family and the community.
